APPENDIX C: GUIDELINES FOR THE CONDUCT OF REGIONAL BUSINESS WITH THE REGIONAL OFFICERS AS PART OF THE QUOREM

The establishment of quorum through the granting of voting privileges to the Regional officers is an extraordinary occurrence. The conduct of business must carefully consider the perception that Regional officers may **NOT** carry a group conscience.

The following statements provide guidance to the voting participants under these extraordinary circumstances:

- The seating of new Area Service Committee representation requires significant input from the R.C.M.s. Temporary seating can be granted and at the next meeting a confirmation vote will be sought;
- The initiation, discussion, and adoption of motions are permitted. If the result of the motion is a modification to the Regional Policy Handbook (this document), Regional Subcommittee guidelines or policies then that motion must be deferred to the next meeting;
- Elections require significant input from the R.C.M.s. Therefore, elections will be deferred to the next meeting; and
- The dismissal of any officers (See section 2.7) requires significant input from the R.C.M.s. Therefore, the only dismissal motions that can be considered are for Loss of Abstinence and Absence for two previous meetings. All other dismissal motions will be deferred to the next meeting;
- The formation of a new Standing Committee requires significant input from the R.C.M.s. Therefore, motions to form a new Standing Committee will be deferred to the next meeting.
- The disposition of a Fixed Expenditure, as per Appendix B, is permitted. All other financial motions or any motions that lead to a Discretionary financial commitment, either positive or negative will be deferred to the next meeting; and
- The reading and acceptance of reports is permitted. If the acceptance of a report results in a motion being approved or brought before the RSC for discussion that motion may be deferred. The provision to consider the motion will be determined through the consideration of any other conflicts with these guidelines (this Appendix) or the Regional Policy Handbook;
