THE BIG RECOVERY THING

This year Central Nova Area is hosting the Canadian Atlantic Assembly of Narcotics Anonymous and Central Nova holds an annual convention in May. To keep it simple we decided to combine the two events!

The Big Recovery Thing (held on the May long weekend) will be four days where you get to share your experience, strength and hope with members from across the Atlantic Region.

We will have entertainment, events, meetings, guest speakers, workshops, a dance and many family meals together!

All for one registration price- \$40!!!!

Just want to attend the Atlantic Assembly? As always all events pertaining to the Assembly are free.

THE REGIONAL ASSEMBLY

The Regional Assembly is a free annual event held by the Service Board of the Canadian Atlantic Region of Narcotics Anonymous.

It allows members to discuss decisions, proposals and projects from the regional prospective to ones affecting the worldwide fellowship. All these topics are important to the regional fellowship and as a member your input is welcomed and needed.

Assembly events will take place on Saturday May 18th (lunch and dinner included) with a free breakfast available on Sunday for members wishing to attend the Regional Service Meeting.

It is hosted by the Regional Delegate and co-facilitated by members from around the Atlantic Region.
